ABBAS GIHA

Abbas will be stringing racquets here at HAC and will also be available for hitting lessons. Please see the front desk if you're interested.

New Babolat String Machine

HAC is pleased to announce that we now have the very latest state-of-the-art, tip of the line, Babolat Sensor String machine!!!! Not only can this machine string, it has computer sensors to analyze various aspects of your racquet. This highly sophisticated machine can determine weight, balance, flex, etc. Now don't you want to know exactly how and why your racquet is performing or not performing. So drop your racquet at the front desk and let us check it out.
